- **What can we do better?**

We're asking a small group of young people to talk about what it's like to use these services and share ideas.

## How to take part:

If you are interested in helping us, please scan the QR code below.

Alternatively, you can email **YoungVoicesTogether@nchc.nhs.uk** or leave a voicemail on **01603 216060** sharing:

- 1) Your **name**,
- 2) Your **age**,
- 3) Your **contact number**,
- 4) The **service** you have had support from.

If you are under 18 years old, we will also need to know:

We will also pay back any travel costs if you do take part.
